

MOTION BY SUPERVISOR HILDA L. SOLIS

APRIL 7, 2015

As an actor, Antonio “Anthony” Quinn brought a variety of rich characters to life and inspired many to participate in the arts. His lifelong dedication to the performing arts established him as a professional who was willing and able to take on a diverse set of roles. From his start as a film actor in 1936 to his last film in 2001, Quinn’s work motivated many in Los Angeles County to pursue and engage in the performance arts.

Quinn grew up in the Boyle Heights and Echo Park areas, attending local schools where he was drawn to the arts through architecture.

I, THEREFORE MOVE that the Board proclaim April 21, 2015 as Anthony Quinn Day, to commemorate his lifelong work and his service as an inspiration to many.
